Tips to remember

Wear a mask that covers both your nose and mouth.

Limit time spent at time clocks.

Limit the duration of close interactions (less than six feet) to no more than 10 minutes within a 24-hour period.

Be mindful of interactions during shift changes.

Maintain physical distance (six feet apart) as much as possible.

Whenever possible, take breaks outdoors.

Exposure is lessened when masks are worn in enclosed spaces.

Take breaks with the same people each day. Limit groups to no more than 3 people.

Restrict vehicle occupancy to one person.

It is safest to eat alone. If you do eat with others, maintain physical distance, wear a mask until seated, and only remove your mask to eat.
